

MEMORANDUM

TO: Superintendents and Charter School Sponsors

FROM: Kaitlin Boldt, Fiscal Analyst
Office of School Finance

DATE: August 16, 2010

SUBJECT: 2010-2011 Full-Day Kindergarten Grant Estimation

Based on data from corporations that submitted "Intent to Participate" information for the Full-Day Kindergarten Grant for the 2010-2011 school year, we estimate the grant will be funded at approximately \$936.25 per full-day kindergarten student if the current numbers materialize in the fall.

A total of 314 corporations and charter schools indicated their intent to participate, with a total student estimate of 62,483.

As we recommended last year, be sure to review your plans with the Office of Title I Academic Support if you are planning to fund part of your program with Title I funds and part with Full-Day Kindergarten Grant funds. We wish to avoid supplanting issues that could jeopardize funding in the future.

Attached is the list of corporations and student counts for those corporations that submitted notice of their intent to participate in the grant.
